2015 in review *GLOBAL, NATIONAL, REGIONAL, & LOCAL*

Globally RPM is creating an impact by investing in Boima Toure

In 2012 Tom Cheshire traveled to Liberia to teach pastors about Biblical Manhood. While there his driver was a bright young man named Boima. After spending a substantial amount of time with him, Tom came back and felt led by God for RPM to cover the cost of his 4 year degree to the University of Liberia.

In May of 2016 Boima will have his Bachelors Degree in Communications!

Nationally RPM is creating an impact in several key areas

- Our monthly **webinar** is attracting Leaders from all over the USA!
- This year we solidified our partnership with Kenny Luck and **Everyman Ministries** from California. Kenny is a well known author and creator of men's curriculum.

Regionally & Locally our FOOT print continues to grow

- We held **4** Iron Sharpens Iron Conferences with nearly **3,000** men and volunteers in attendance.
- In November we launched our first **IGNITE the Sleeping GIANT** training in Champaign with **32** men and **10 churches** being represented. The intent is to help churches develop effective strategies to reach EVERYMAN in their church.
- **In Decatur & Springfield we continue to develop relationships with local pastors.**

- Fathering Adventures continues to have a huge impact with **25 father/son** pairs joining us to experience this life changing weekend.
