

# RELEVANT PRACTICAL MINISTRY FOR MEN

MARCH NEWSLETTER

THE VISION OF RPM IS TO "INVEST IN THE LOCAL CHURCH TO EQUIP MEN WITH THE GOSPEL"

**We asked pastors whom we have worked with to tell you the impact RPM has had on their church and Men. Below Pastor Roderick Walker shared his thoughts.**

I would like to thank RPM and Iron Sharpens Iron for their endeavor to train and disciple men. We have had the privilege to attend six (6) Iron Sharpens Iron conferences and each conference has been a blessing to me and our men. I believe that second to preaching, leadership is paramount in the church. It is something that RPM/Iron Sharpens Iron does very well in helping develop men through the various workshops.

I would like to give a "shout out" with kudos to Tom Cheshire and the ministry of RPM in what it does to aide pastors and develop lay leaders. I believe that discipleship is a foreign art to many churches, but RPM has set the bar with its mission to help and restore the church focus on what God has called the church to do in fulfilling the great commission in the art of discipleship. I know of no other organization that does it as well as RPM in seeing men disciplined in the fulfillment of the great commission and God's call to the local church.
