

RELEVANT PRACTICAL MINISTRY FOR MEN

YEAR IN REVIEW

Global, National, Regional, & Local

We are excited to launch a **SECOND DECADE** of ministry in 2017. Clearly God is blessing us, as churches large and small are reaching out, seeking our coaching to Ignite **EveryMan** within their church!

Globally RPM is creating an impact by investing in Boima Toure

In 2012 Tom Cheshire traveled to **Liberia** to teach pastors about Biblical Manhood. While there his driver was a bright young man named Boima. After spending a substantial amount of time with him, Tom came back and felt directed by God for RPM to cover the cost of his 4 year degree to the University of Liberia. He was set to graduate in 2016, however, circumstances beyond his control have put him on track to **Graduate May of 2017 with a Bachelors Degree in Communications!**

Boima

Nationally RPM is creating an impact in several key areas

- We partnered with Iron Sharpens Iron National office to **co-author chapters** on discipleship in upcoming books, the first due to be published in 2017.
