THANKS FOR THE FEEDBACK...!

"Great worship! Inspirational and motivational speakers. Content very applicable to daily living and kingdom building men."

"Great! Encouraged! Challenged. Uplifted. Helped. Thankful!"

"Greatly enjoyed to see many "hot" topics that the churches are discussing at a conference like this. These are many uncomfortable areas that many men don't want to discuss, but we must if we expect to deal with these issues infiltrating our churches."

"Excellent conference this year and it was just what I needed! Thank you, thank you, thank you!"

"I am 13 and I really enjoyed this first ever ISI!"

"Always impressed with the radical hospitality when we arrive and throughout the day."

"Great teaching, worship top notch. Great filling of the Holy Spirit, keep up the good work. See you next year."

# PRAISE BE TO GOD

While we tackle administrative duties to wrap-up our ISI 2019 season we want to share a few photos from this year's awesome roster of conferences. We are thankful to God for the 2,200 men that took part in the experience and returned to their homes and churches equipped and inspired. Next month, we return to our usual newsletter format....

## ONE STORY

I got a call recently from a man who came to ISI this year with no enthusiasm whatsoever. His wife was convinced that he needed a better relationship with Christ in order to fix their marriage and family. He decided to go through the motions just to prove her wrong.

This man confessed to me that during the conference God broke his heart, and revealed to him his need for Jesus—how deficient he had been in loving his wife and leading his family. God changed and transformed his heart, and now he was progressing as a husband and father who relies on Christ.

These occurrences—most of which we never hear about—are divine appointments. They are God-breathed. RPM isn't needed to make them happen, but through faithful obedience we (our team and our supporters) are privileged to play a small role.
