RELEVANT PRACTICAL MINISTRY FOR MEN

IRON SHARPENS IRON IS BACK!

Have you ever decided to do something and wondered how it would turn out?

This describes my experience from this past weekend as we just wrapped up the Terre Haute ISI on March 6th. We wondered if anyone would even attend. Over thirty churches brought men from all over the Midwest. We even had a church from Louisville, KY bring a group of men for the first time. It was a great day and clear that God was at work in the lives of those who attended. Our host, Maryland Community Church, was an incredible host, and provided us with an army of volunteers that help us put on a first-class conference.

2021 will be year of brand-new objectives for the RPM team. We just launched a new podcast called "The Wise Guys," which can be found on our website or wherever you download your podcasts. We also moved all our Men's Ministry training to Zoom and will be teaching

afternoon and evening classes the entire month of April. Thirty-six men signed up to be a part of this training from the Terre Haute ISI.

God has shown his faithfulness to us. Even though we had our doubts, we did our part by planning and organizing with excellence and He brought the men. I am reminded of Proverbs 3:5-6 "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight."
