

# A Call To Prayer

There is nothing better that a husband can do than pray for his wife. When I am in need of prayer I love the fact that I can go to my husband and just tell him I need prayer. He will immediately drop whatever it is that he is doing, place his hand on my shoulder, and begin to let the Holy Spirit lead him how to pray for me. I can not begin to tell you how many times his prayers for me have instantly made physical pain stop, an anxious mind slow down, and calmness just fall over me.

We are living in such a volatile time right now. It is apparent that the world is rapidly changing around us, and there is nothing we can do to slow that down. Now, more than ever, we need to be a people on our knees crying out to our Savior. God's word tell us "These things I have spoken to you so that in Me you may have peace. In the world you have tribulation, but take courage; I have overcome the world" John 16:33.

As Christ followers, it should not surprise us how much chaos is in the world right now. He has clearly written in His word that these things would happen. So often we don't really listen to the things God reveals to us. Why is that?

Men, how are you doing in your prayer life? If you don't know what to pray for, ask our Heavenly

Father to reveal to you what you are to pray about. Start with asking for wisdom and the clear ability to hear from Him. He is always right there waiting to hear from you!

Blessings!

## POWER POINT VERSE

Jesus said "If any man will come after me, let him deny himself, and take up his cross daily, and follow me. For whosoever will save his life shall lose it: but whosoever will lose his life for my sake, the same shall save it. For what is a man advantaged, if he gain the whole world, and lose himself, or be cast away." Luke 9:23-25

## RELEVANT PRACTICAL MINISTRY FOR MEN

### The Power Of Godly Manhood

My wife and I have ministered in the world of homelessness for the past twenty-eight years. When we started working with the children, their parents, and single women, we thought homelessness was about the lack of a house, job, or money.

Over the years, we have found our initial thoughts to be naive. Today we see the cause to be the lack of productive relationships that often begin with the absence of a father.

Our discovery demands the support and encouragement of all organizations that promote healthy relationships between parents and their children. That is why we support RPM.

RPM's work helps men understand the significance of their God-given role as guide, provider, and protector of their families. It would be nice if we men could figure out our role as a husband and father on our own, but that is not the case. We need help. We live in a time when biblical truths have been set aside for human ideas, confusing men and leaving us with unanswered questions.

The further our culture drifts away from the word of our Heavenly Father, the greater the instability we face. That is why the work of RPM is so vital. Countless hours are expended by the RPM staff and volunteers to mentor, train, teach, encourage, and promote godly manhood.

Be on your guard; stand firm in the faith; be courageous;  
be strong. Do everything in love.

I Cor. 16:13-14
